

10 questions to help you figure out your vision.

(Copied from an internet search on visions.)

1. If I could invent the future, what would I create for myself?
2. At the end of my life, what will be my greatest accomplishment? (What do I want my epitaph to read?)
3. What mission in life absolutely inspires me?
4. What is my burning passion, what am I truly passionate about?
5. What work do I find absorbing, engaging and genuinely enjoy?
6. How will my work, career or business enable me to live those dreams?
7. What would my ideal or perfect day look like?
8. If someone were to describe me, what words would I want them to use?
9. If I had a magic wand and could change any one thing about my life, what would I change?
10. If I knew failure was not an option, what would I attempt to achieve or do with my life?
