Past Notes

Coordination with London Intergroup

- Sunday virtual workshops
 - May 17, 24, 31
 - 3pm London/10am New York/7am Los Angeles
 - 75 mins + Q&A 15 mins
- Topics:
 - Andrew: Path to prosperity - Zoom - way over 100, a lot of tech issues on Zoom, so a lot of chaos on the call, went to the telephone with about 60-70, one and a half hours late; tech issues possibly due to recent Zoom upgrade
 - Alison: Realizing the UA promises - well run - 10 ppl on security, 2 or 3 hosts, over 200 ppl, good presentation, two presentations
 - Shawn: Visions into actions
- Coordinate on timing and topics - yes, if they are open to cooperation
 - Also LA Intergroup
 - Maybe rotating between IGs for sponsorship, maybe by month, put on a series
- Feedback from London:
 - Used Pro plan, with 1,000 large meeting add-on
 - 10 co-hosts had different roles
 - Two or three weeks prep, with 45-60 min test run with each speaker
 - Might be open to using same account
 - Suggests cross-Intergroup meeting with 6 IGs, or at least NY/Ldn/CA
 - Israel, Iran & ?
 - Maybe some kind of global open house
 - And sent link
 - Planning another with Andrew D
 - UA regional forum may include 2 hr workshop
- Call held with London to discuss
 - [See notes here](#)
 - **Peter** to schedule another call, especially with Rich, London's lead co-host

Physical setup - what is needed

- Format for workshops:
 - Frequency - weekly, for time being
 - No July 5th session
 - Holiday weekend, afternoons usually used for barbecues

- Start July 12 - allow time for full Intergroup meeting to respond, and run through July
- Timing (dependent on speaker availability):
 - London 7:00pm, NY 2:00pm, LA 11:00am
 - (UK meetings 5-6pm, 6-7pm, NY meetings 11-12:15, 12:30-1:30, LA 3:30-4:30, all local times)
- How long
 - 90 mins workshop, 30 mins questions and fellowship (speaker doesn't have to use for 2 hours)
- Preparatory tests
 - Friday beforehand, 12pm NY, 5pm London
- Technology:
 - Using Zoom, for participant and host familiarity with the technology
 - Zoom account
 - Base price \$15 per month - 100 people
 - Allows up to 50 "break-out" rooms from main meeting
 - "Large meeting" add-ons
 - \$50/mo extra - 500 people
 - \$90/mo extra - 1,000 people
 - Webinar option - interactive video for 100 people
 - Talk to full Intergroup about approving costs
 - Maybe pull in London people if we do not get enough people volunteering for service
 - NY will use own account, and go with 500 person capacity (expense approved by Intergroup)
- Volunteers
 - See separate list of Roles & Responsibilities - about 10 people needed (per London ESH)
- MC/actual host
 - Script - draft outline - see separate document
- Recording/online archive (including any printed materials)
 - Need speaker/participant agreement - incorporate in registration
 - Where would recording live?

Topics & Facilitators

- Theme:
 - "A Bridge Back To Life"
- Fellow members to invite
 - **All** will ask around
 - Scheduled workshops:
 - July 12 - Mike M., "Top Line/Bottom Line"
 - July 19 - Stefanie, Ct., "Using the steps to work on visions and goals"

- July 26 - Peter S., "What would I do if I knew I could not fail?"
- Other possible volunteers:

 - Doug - first couple weeks in August
 - Orison - 50+ Underearning/Never too Late
 - Solvency: A Design for Living-Carmen (UA Member) to lead workshop for August
- Useful topics:
 - Visibility during the lockdown
 - Visions and goals
 - Round-robin action groups (Zoom allows up to 50 break-out rooms) - London feedback is that this would be difficult to coordinate with 200+ people
 - Time recording (multiple speakers, different ways)
 - Sponsorship
 - UA Recovery vs. Survival

Speaker Materials/Prep

- Peter S. no prep needed; but attendees will need a pen and a pad of lined paper (a grid can also be printed out)
- Mike: some prep questions to consider, not required; pen and paper required

Attraction not promotion

- Email brochure - **Camilla** has attached a flyer.
I think we should also add how long the workshops are

- Orison will act as email coordinator (workshop@ua-ny.org)
- Add email for Paypal donations to flyer, and add event times/durations - Camilla
- Talk to Claudia about sending out mass email, flyer, links to web pages - Camilla
- Reach out to London IG for another call. - Seth
- Recordings - follow up with London - Peter will address on call
- Reach out to SoCal IG - chair Greg G 323-828-6391 - Seth will coordinate
- Set up a grid for roles and volunteers - Orison will pull out a volunteer sheet and circulate - added to Roles doc
- Reach out to calendarkeeper@underearnersanonymous.org - It's on the main website
[Calendar 06/27](#)
- Do we add additional dates? We have more speakers - but consensus is that we need a break - plan to do next set of sessions Sep/Oct/Nov depending on activities of other IGs
- Ask people in UA to step up for service - focus on filling grid with people who aren't members of committee
